

Video Conference Training: WIA Youth Eligibility and Suitability

Date:

Monday, November 30, 2009

Time:

12:30-3:00 p.m.

Description: This video conference addresses common issues around eligibility, including income verification and documentation of barriers for youth participation in Workforce Investment Act programs. Participants will learn the requirements for youth eligibility, documentation requirements, and guidelines for determining suitability for services.

Who Should Attend: This training is designed primarily for new WIA program administrators and front line/direct service staff, and experienced staff who are new to WIA youth programs or who would like a "refresher course" in youth eligibility and suitability.
